Grammar Point	
Talking about age	In English we say How old are you? I am 7 years old. In French, this idea is expressed as What age do you have? I have 7 years. Tu as quel âge ? J'ai 7 ans.
Translation	When we translate from one language to another, we translate ideas, not words.
Prepositions with countires	In French, we say J'habite en Angleterre, en Écosse, en Irlande du Nord, but au Pays de Galles.
The circumflex accent	This accent can appear over any vowel – a, e, i, o or u. The circumflex accent appears in the word âge. Historically, there used to be two vowels in this word. Double vowels have now usually disappeared from French words, but the circumflex accent can show us where they used to be.
The circumflex accent	the circumflex accent The circumflex accent appears in the word château. The circumflex accent shows that there used to be a historical 's' in this word, that has now fallen silent and vanished from the orthography. The same word in English has kept its consonant: castle.
